THE NEW LANCER  
**EVOLUTION X**

## THE CULMINATION

Long hailed as the greatest point-to-point car of all time, the Mitsubishi Lancer Evolution X is the greatest Evolution of them all. The culmination of nine generations of expertise, it is more refined yet more involving and even more clever

than any of its predecessors. It is also more cohesive, more athletic and more styled than ever before. Take a while, a long while, to think about exactly what you want from your new Lancer Evolution X – it's worth it.

## SAFE PLACE

It is a rallying truism that to finish first, first you have to finish. Needless to say the Lancer Evolution X meets racing standards of safety, which means that it is designed with both

occupants and other road users firmly in mind. You may need to add to these. Child safety seats, for example, or aid parking manoeuvres with reversing sensors.
